Freedoms Foundation has consented to permit us to erect a separate building for the Hall of Patriots and Faith of Our Fathers Chapel. This building now under construction will be a monument to the Fraternity forever. Millions of visitors will be going through, seeing the history of our Order and how it is interwoven with that of the United States. Many of your neighbors and friends will visit this shrine each year—will they find the name of your Tribe or Council listed in the gold book as a 100% contributor? Nowhere for such a small sum can you get such widespread publicity and recognition. Nothing that you could do would give you a greater pride in membership in the Fraternity that boasts of two hundred years of patriotic endeavors since the day that our pioneer members spilled the tea in Boston Harbor.

Tribes and Councils making 100% contributions will receive Achievement Award Certificates. Members making individual contributions of over $25.00 will receive appropriate certificates suitable for framing.

At the recent session of the Great Council of the United States, our Great Chiefs were instructed to sign a note for $45,000.00, payable May 1, 1967, which is needed to complete the project.

Dedication ceremonies are scheduled for Saturday, April 29, 1967. More than 10,000 members are expected to be present on this occasion.

The time to act is NOW. Show your pride in your Order and your faith in its great principles of Freedom, Friendship and Charity.
